Installation Details for Mounted LED Panel light

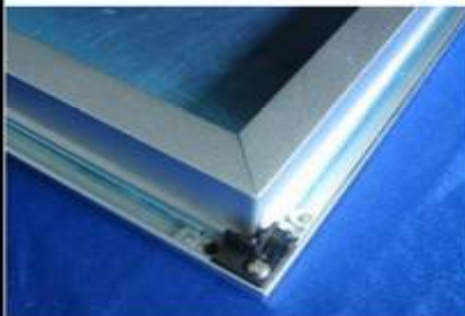

Picture 1. Back side
(facing wall)

Picture 2. Front side
(facing LED panel)

Picture 3. LED panel light
(back side)

Picture 4. Connect LED
panel with shelf by buck

Picture 5. Put LED Driver
inside shelf

Installation steps:

1. Fix the shelf by screws, the holes are ready, 600x600mm has 8 holes
2. After fixed, the front face is as picture 2
3. Put LED Driver inside as picture 5. (wires should be already connected)
4. Put LED Panel light on the surface, fix LED Panel light to shelf
5. You can fix the shelf any angle

£39.99 per unit
